Dear Mr. and Mrs. Hunn,

Because the State of California has no provision for "inactive" tax exempt corporations it seems that the Parents Mississippi Freedom Association has reached the point where the formality of dissolution is in order. At present we are operating under a six month extension which expires on October 15, 1966.

This poll is being circulated to all officers of the corporation and all other members who have attended a meeting during the past year.

It is estimated that residual funds of several hundred dollars will remain in our treasury after payment of all bills.

The following proposals are therefore submitted:

- 1. That the PMFA be dissolved as an association and as a California corporation prior to Oct. 15, 1966.

YES  NO

- 2. That funds remaining in the treasury of PMFA, after payment of all bills, be contributed to national headquarters of the Student Non-violent Coordinating Committee.

YES  NO

Realistic alternate proposals will be welcome. However, considering the purposes for which our group was organized, and the fact that our effective work opportunities are at an end, action taken will be based upon a simple majority of ballots returned before September 15, 1966.

Still yours for Peace and Freedom!
