Dear Community Leader or Organizer,

This is the second in a series of mailings by the Freedom Information Service. Most of the information will be about politics and elections, including the ASCS elections. The materials are sent to one or two people in each county to keep for the use of anybody who can use them.

IMPORTANT:

1- The 7-page workbook on the county board of education is designed to be used in community meetings to get candidates and support for candidates in Beat 5 for the November election. IF you plan to run someone from Beat 5 this fall (see summary sheet for counties where this vote won't take place), write on the form below how many copies of the workbook you can use. They will be sent immediately.

2- Petitions must be in for ASCS candidates by October 20. Ballots must be mailed back by November 14. Five community committeemen will be elected from every ASCS community.

So there is not much time!

Materials are being prepared and we are trying to get money for workshops. Please check in the form below if you will or will not be running farmers for the ASCS community committees. Also, how many farmers will you need leaflets for, to try and get out the vote? How many people in your county could hold local workshops on ASCS if there is money for them?
