Dear Bruce:

Enclosed is most of the literature you indicated in your letter plus a number of other things I thought would be of interest to you; I'll send the rest when it is printed. I also put you on the bulletin list--I'm sorry you haven't been receiving the materials you should have. Let me know if you don't get it.

I will probably be South-Southwest coordinator for the summer which means I'll try to keep people in this region in touch with each other. Have you been working in Crenshaw County for a long time? As you know SDS puts out a lot of literature--if you ever have the time or the inclination it would be good if you could write a paper on organizing in Alabama.

Let me know if there's anything more I can send you in the near future.

Peace,

*Judy Pardun*
