Greenwood, Cont'd

Today police harassment has taken the form of traffic tickets. Two have been given so far. The first was given at 10:30am for running a traffic light. The light was green. ~~xxxxxx~~ Anthony Gaenslen, 20, Philadelphia was driving. He is a volunteer working with the Greenwood office. The second ticket was for not having a muffler. The man didn't have one, but he hasn't for a long time. He was arrested while ~~xxxxxx~~ ~~xxxxxx~~ carrying people to the courthouse. He is due in court today and they will probably pay the fine. Gaenslen's case comes up tomorrow.

George R. Davis, 22, Greenwood (birthday Jan. 16, 1941) who worked with C & J Transportation (509 MacArthur St.)

was told by his boss this morning that he was fired because the Citizen's Council showed pictures of the picketing last night, and his picture came up five times. Davis ~~also~~ also works with David Shaw Tire and Oil Company, and Shaw told Davis' father that he'd never be able to get another job in Greenwood, (Jack: C & J Trans. might be connected with a Campbell Express-- could you check it)
