Dear Mr. Moore:

We have your letter dated April 14th, and since you requested that we let you know at once, if we could be of any help to you, we are doing so.

For your information, we act only in matters that are referred to us for recommendation, usually vacancies in the rural mail service, or Postmaster appointments. These requests are then referred to our County Chairmen for their consideration and recommendation.

Since your problem is an administrative one, and one in which the Post Office Department would handle administratively, we regret that we cannot be of any service to you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Wirt A. Yerger, Jr.", written in a cursive style.
