Mr. Amzie Moore
P. O. Box 814
Cleveland, Miss.

Dear Mr. Moore:

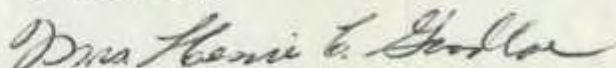

I am writing to say that we have received your letter of the 26th, but that Dr. Dombrowski is out of the city, and that your correspondence will be called to his attention upon his return.

I, personally, am saddened to know of your situation as I have come to admire you for your militant leadership and courage. But life is just one obstacle after another, and of all the elements that are important for success, the most important is faith.

That man is great, according to the Nazarene's gospel, who has the strength to serve and the patience to suffer.

Trusting that things will work out, and with best wishes,

Sincerely,

Secretary to Dr. Dombrowski
