Dear Officer:

I hope you have enjoyed a very Merry X-mas and have embarked on a prosperous New Year.

As one of your State Youth Council Advisers I am asking if you have not organized a Youth Council that you begin doing so now so that your Council will be represented at our State Conference meeting in November.

If you have already organized you may be thinking of sending a delegate to Greenville, S. C. next month.

I hope that your Youth Council is growing and that we will have a large delegation to Jackson in November to the state Conference.

sincerely yours,
D. B. E. Murph
