Dear Mr. Moore:

If it is possible Miss Julie Wright, Youth Secretary and I would like to meet with your young people in Cleveland, around 6 O'clock Thursday April 6, 1961. That is because it will be necessary that we meet with the Mound Bayou group that evening at 8 p.m., in Mound Bayou. If you would like to make this a joint meeting, arrange to have our young people up to Mound Bayou at this hour to get both groups organized. It would be good if your adult group could be present also. Please work towards these ends.

Sincerely yours,

Medger W. Evers
