Dear Phillip, Suzie, and Steve:

SCOPE, your dog, has been here for the summer and we have all grown to love her very much (that's about 500 ~~pp~~ / people you know). She has been our mascot. We give her back to you very reluctantly because we realize that you love her too.

As a favor to us, we would like for you to call her SCOPE. She's been called SCOPE since the day of her arrival here in Atlanta and seems to like the name. Since you get her back, and since we won't see her again, please call her SCOPE for us.

Love,

Martin L. King Jr.
